THE ELEANOR ROOSEVELT GLOBAL HUMANITARIAN AWARD

Kimberly King

*"The Future belongs to those who believe in the
beauty of their dreams." - Eleanor Roosevelt*

Kimberly King is a visionary, humanitarian and global change agent who believes in the 'beauty of dreams.' Kimberly's dreams of peace and compassion for others have taken her around the world supporting community projects in Africa, Asia, South America, Australia and beyond.

Kimberly brings diverse experience to her work with women's empowerment: creating education campaigns for global issues; forging partnerships for community development; and creating new concepts in the fields of social entrepreneurship and transformative philanthropy.

Her esteemed clients list encompasses fortune 500's, NGO's, city governments, broadcast media and the United Nations. These include: American Express, The City of LA, NBC; the Chopra Foundation, Ethical Marketplace, Alliance for a New Humanity, the World Trade Center Association; and the UNFPA.

Kimberly is a Co-founder of the Sophia Women's World Conference and Sophia Circles Global Action Network, and Co-President of The Peace Company. She serves as a Steward for the Institute for Strategic Clarity and member of the Global Leadership Council for the Women, Faith and Development Alliance.

It is with great pleasure that we honor Kimberly King's many contributions to women around the world with our first-ever Eleanor Roosevelt Global Humanitarian Award, in celebration of the 60th Anniversary of the Universal Declaration of Human Rights, for which Eleanor was a key visionary and architect.

We extend this award to Kimberly on October 11, 2008 -- which is also Eleanor Roosevelt's birthday.
